About Us

KAUL-Medizintechnik GmbH is a pioneering manufacturer in the field of orthopedic care, established in 2015. We specialize in developing advanced orthopedic implants and instruments, including innovative arthroscopy solutions, all crafted to meet the highest quality and safety standards. Our dedicated team of engineers and medical professionals collaborates closely with healthcare providers to create reliable and effective products that empower surgeons and enhance patient outcomes.

Vision

Our vision is to be a global leader in orthopedic technology, recognized for our commitment to innovation, quality, and patient care. We aspire to transform the landscape of orthopedic surgery by continuously pushing the boundaries of what is possible, ensuring that every patient has access to the best possible solutions for their mobility and recovery.

Mission

Our mission is to improve patient lives by providing cutting-edge orthopedic implants and instruments that enhance surgical outcomes and empower healthcare professionals. We are dedicated to fostering strong partnerships within the medical community, ensuring that we remain responsive to the evolving needs of patients and surgeons alike. Through our unwavering commitment to excellence, we aim to inspire confidence in every surgical procedure and contribute to the overall advancement of orthopedic medicine.
